### ABOUT REBOOTS ONE

Reboots One can be used with Reboots Boots or Pants, each of which consists of 8 air chambers that create a particularly gliding pressure wave and thus increase the massage quality. The chambers build up a pressure of up to 240 mmHg. The stationary Reboots One device offers 6 massage programs for different massage focuses. The Reboots Recovery Pants additionally massage all major muscles in the hip and butt area. Reboots One is available from 799€. For more information, visit [reboots.com](https://reboots.com).
